The streets and alleys in many parts of town are in a very filthy condition, and should be cleaned as soon as possible.

New Buildings. The present indications are that there will be a large number of new buildings erected in Findlay the coming season.

Attention is called to the advertise ment of Messrs. BECKWITH, STERLING & Co., Cleveland Ohio, in another column of to-days paper. Some Apples.

GREEK, DAVIS & Co., are shipping over a hundred barrels of green apples every week. Considering the time of year, this is a big trade.

Extra copies of this week's JEFFER SONIAN may be obtained at the countingroom this week. Price, five cents per single copy. We hope to have enough to supply the demand.

Three members of the Town Council are to be elected at the coming spring election in the place of Messrs, ADAMS, ANDERSON and KIMMEL, whose terms expire.

Ornaments Arrived. The ornaments for the new iron bridge have arrived, and will be put in position in a short time. The designs are very pretty and will add much to the appearance of the bridge.
